

Kids and God

What Happens When We Die?

(And other tough theological questions kids ask)

Thursday, May 17 @ 6:30 p.m.

For Parents

Why does God let bad things happen?
How did Noah get all the animals on the ark?
What is sin?
Why doesn't my friend celebrate Christmas?
Where is Heaven?
Is Hell real?

Any of these sound familiar? Do you have the answers? It's okay. Come and share your children's questions with other parents. Our clergy will offer their insights and some direction for parents who land anywhere from awkward, to stammering, to complete muteness when facing questions like these.
